ADMINISTRATION -- GENERAL AGENCY PROVISIONS

OpenBook Requirement for Municipalities

Motion:

Move to require that counties, and any cities, villages and towns with a population larger than 5,000, participate in the Department of Administration's internet-based disclosure of expenditures reporting requirement by July 1, 2015. Expand current DOA statutory requirements related to internet-based disclosure of expenditures reporting to also include reporting by counties, and any cities, villages and towns with a population larger than 5,000. Require DOA to operate the expanded expenditure reporting system. Counties, and any cities, villages and towns with existing internet-based disclosure of expenditures reporting systems would be required to coordinate that system with the system operated by DOA by July 1, 2015.

10

Note:

Under current law, the Department of Administration (DOA) is required to ensure that all state agency expenditures for state operations exceeding \$100, including salaries and fringe benefits paid to state agency employees, are available for inspection on a searchable Internet Web site maintained by DOA (OpenBook). The Department is required to categorize the expenditure information by state agency, expenditure category, expenditure amount, and the person to whom the expenditure is made. If any of the expenditure information may be found on other Web sites, DOA is required to provide access to that information through the searchable internet Web site.

The motion would extend the internet based disclosure of expenditures reporting requirement to counties, and any cities, villages and towns with a population larger than 5,000, beginning July 1, 2015. The Department of Administration would be required to administer the expanded system.

funding board surcharge be assessed only after an offender pays the global positioning system tracking surcharge in full.

10. *OpenBook Requirement for Municipalities Revision.* Modify Motion #236 related to local expenditure reporting (OpenBook) to make reporting requirements effective September 1, 2016, rather than July 1, 2015.

11. *Register of Deeds Fees and Statewide Digital Parcel Map Modifications.* Modify Motion #249 associated with required access to land records to specify that all counties must post to the Internet the following property tax assessment data provided to the county by municipalities: (a) the assessed values of land; (b) the assessed values of improvements; (c) the total assessed values; (d) the class of property as specified under s. 70.32(2)(a) and the estimated fair market value; and (e) the total property tax.

12. *Rehired Annuitants: Substitute Motion on Previous Action.* Delete the provisions adopted under Motion #352 and Motion #510. Instead adopt Alternative 2 in LFB Paper #259. In addition, provide that, if a participant receiving a retirement annuity, or a disability annuitant who has attained his or her normal retirement date, enters into a contract to provide employee services with a participating employer and he or she is expected to work at least two-thirds of what is considered full-time employment by the Department of Employee Trust Funds, as determined by rule, the participant's annuity must be terminated and no annuity payment may be payable until after the participant no longer provides employee services under the contract. [The provision adopts the Governor's 75-day break-in-service requirement and two-thirds standard, applies the two-thirds standard to contracts, and adopts the ETF process for administering the accounts of rehired annuitants.]

13. *2013-15 Executive Branch Agency Position Reductions.* Require the Secretary of DOA, during the 2013-15 biennium, to delete a total of 450 positions from executive branch agencies. Require the Secretary of DOA to submit a report to the Joint Committee on Finance by January 1, 2015, that identifies the deleted positions by appropriation, by agency.

Health Services, Insurance and Professional Regulation

14. *Bail Bond Agents, Bail Bond Agencies, and Bail Recovery Agents in Dane, Kenosha, Milwaukee, Racine and Waukesha Counties.* Establish credentialing requirements in the Department of Safety and Professional Services (DSPS) for bail bond agents, bail bond agencies, and bail recovery agents, as described below. Allow a licensed bail bond agent or bail bond agency to act as a surety under current law provisions related to bail and other conditions of release. Allow a licensed bail bond agent or a licensed bail bond agency to be compensated at a rate of 10 percent of the amount of the bail bond set.

Specify that a licensed agent or licensed agency may only be compensated to act as a surety for a bail bond in an action brought in Dane, Kenosha, Milwaukee, Racine, or Waukesha Counties. Specify that five years after the effective date of the bill, this limitation on the area where agents or agencies may be compensated no longer applies (effectively implementing this policy statewide).
